My Father's Waltz

(Dan Messé)

Ukulele version

I'm providing two versions here, one in the standard uke tuning of GCEA, and one using a uke tuned down a half-step. If you're not playing along with the song, you can just play Version 2 without the retune.

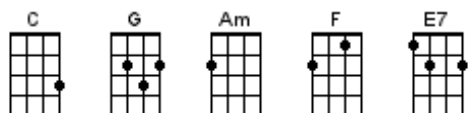

Version 1 - Standard tuning

B F# G#m E
Forty years since you washed ashore
B F# B
Carried out of the sea
On the mast of a man-o-war
That once brought you to me

E B
Throw your overcoat over a chair
 D#7 G#m
And lay all your lazybones down
E B F# G#m
May this night keep you here
 E B
'til tomorrow

Version 2 - Tune down a half-step (F# | B | D# | G#)

C G Am F
Forty years since you washed ashore
C G C
Carried out of the sea
On the mast of a man-o-war
That once brought you to me
